

EURO MICA

Inspired Laminates

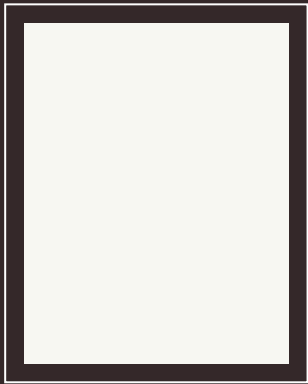

EURO MICA

- First Ones to Bring Sappi Warren Release Paper (USA) Technology in India or Manufacturing Laminates and the first to introduce Synchronized Laminates in India.
- First Ones to introduce Synchro 9'2" Size and 1.25mm Thick Laminates in India.
- Over 350 Designs & 150 Textures to choose from. Trend setter in varieties and architectural choices which caters to various concepts of the designers and providing them a free hand to play in designs.
- Varieties in solid colors and pastel shades, wooden expressions, marble look, stone varnish, fabric guise etc. available with textures.
